

**MINUTES OF THE SELECTION PROCESS FOR THE RECRUITMENT OF A RESEARCHER/ENGINEER
TO WORK IN THE PROJECT SMART-HEALTH-4-ALL**

Profile Reference: RH CT SMART-HEALTH-4-ALL UBS 02/2021

ADMISSIONS TO CALL, EVALUATION AND APPLICANTS SERIALIZATION

1. Admissions to call

The applicants are the following:

- Francisco Luís Machado Campos
- Amirhossein Baraati
- Vitor Avelar dos Santos

Taking in consideration the notice requirements, all applicants were admitted as candidates.

2. Evaluation and serialization of admitted applicants

As a result of the evaluation of the candidates' CV, it was found that the candidate Vitor Avelar dos Santos does not fulfill the admission requirement, that is, having a diploma recognized by a portuguese higher education institution.

The remaining candidates meet the criteria for the present profile reference. The following table summarizes the followed criteria for the rest of the applicants, respective weights and evaluation:

| Candidate | Criterion | Weight (%) | Analysis | Score | Weighted Final Score |
|-------------------------------|------------------|-------------------|--|--------------|-----------------------------|
| Francisco Luís Machado Campos | CV Analysis | 50 | The candidate presents strong knowledge on electronic circuits, amplifying and processing of sensor signals; smart sensorized insole for plantar pressure readings and in monitoring plantar pressures. Very relevant research works already developed by the candidate. | 93 | 46.5 |
| | Interview | 50 | | 85.5 | 42.75 |
| TOTAL SCORE | | | | | 89,25 |
| Amirhossein Baraati | CV Analysis | 50 | The candidate does not present knowledge on electronic circuits, amplifying and processing of sensor signals, nether on smart sensorization for foot plantar pressure | 36 | 18 |

| | | | | | |
|--|--------------------|----|--|---|-------------|
| | Interview | 50 | readings and monitoring. Also, his scientific publications are out of the scope of the present project, being therefore eliminated and not selected for interview. | 0 | 0 |
| | TOTAL SCORE | | | | 18.0 |

3. Final ranking

1st – Francisco Luís Machado Campos

2nd – Amirhossein Baraati
